Not your ordinary desert kasbah...

Sbai Palace is a creative community located in M'hamid, Morocco at the foot of the Sahara Desert. It is an unsuspecting mecca of art and culture, nestled inside the walls of luxury. It has the exquisite environment of a quality hotel mixed with the charm and warmth of the Sahara people and their gracious hospitality.

As a guest and/or resident at Sbai Palace, you'll be transported by the charm of farm to table traditional Moroccan cuisine mixed with global fusions, fresh fruit cocktails, Saharan architecture and decor while engaging with creatives and tourists all over the world.

Sbai Palace provides a space to: be alone, be together, read, write, discuss, and create. Calm and tranquility reign at the Sbai Palace. At Sbai, you can live, enjoy 3 curated meals a day, housekeeping, breathe, relax, recover, and be inspired.

Main Kasbah

The main Kasbah houses our reception area, a communal lounge and 7 beautifully decorated guest rooms for short term bookings.

Retreat Center

Whether you desire a yoga retreat, a writer's sanctuary, or a relaxing getaway with a group of friends and family, we can host you. Retreats are hosted in our newest buildings offering 16 rooms total with queen beds and en suite bathrooms. Space will be created for retreat leaders to create the experience they imagine for their guests. Lounge space to hold private sessions, meetings and yoga classes are available. Retreat groups are also free to use other parts of the palace for their various activities. Your retreat will be custom designed to suit your needs.

Cottages

We offer space for residents to have peace and quiet to focus, simply be, or to create. Our 11 cottage commune area has suites with a private bathroom, bedroom, and studio/living room area. Cottages are available for 1 to 12 months and includes 3 meals per day.
